Do you know the secret to freedom?

Have you ever thought:

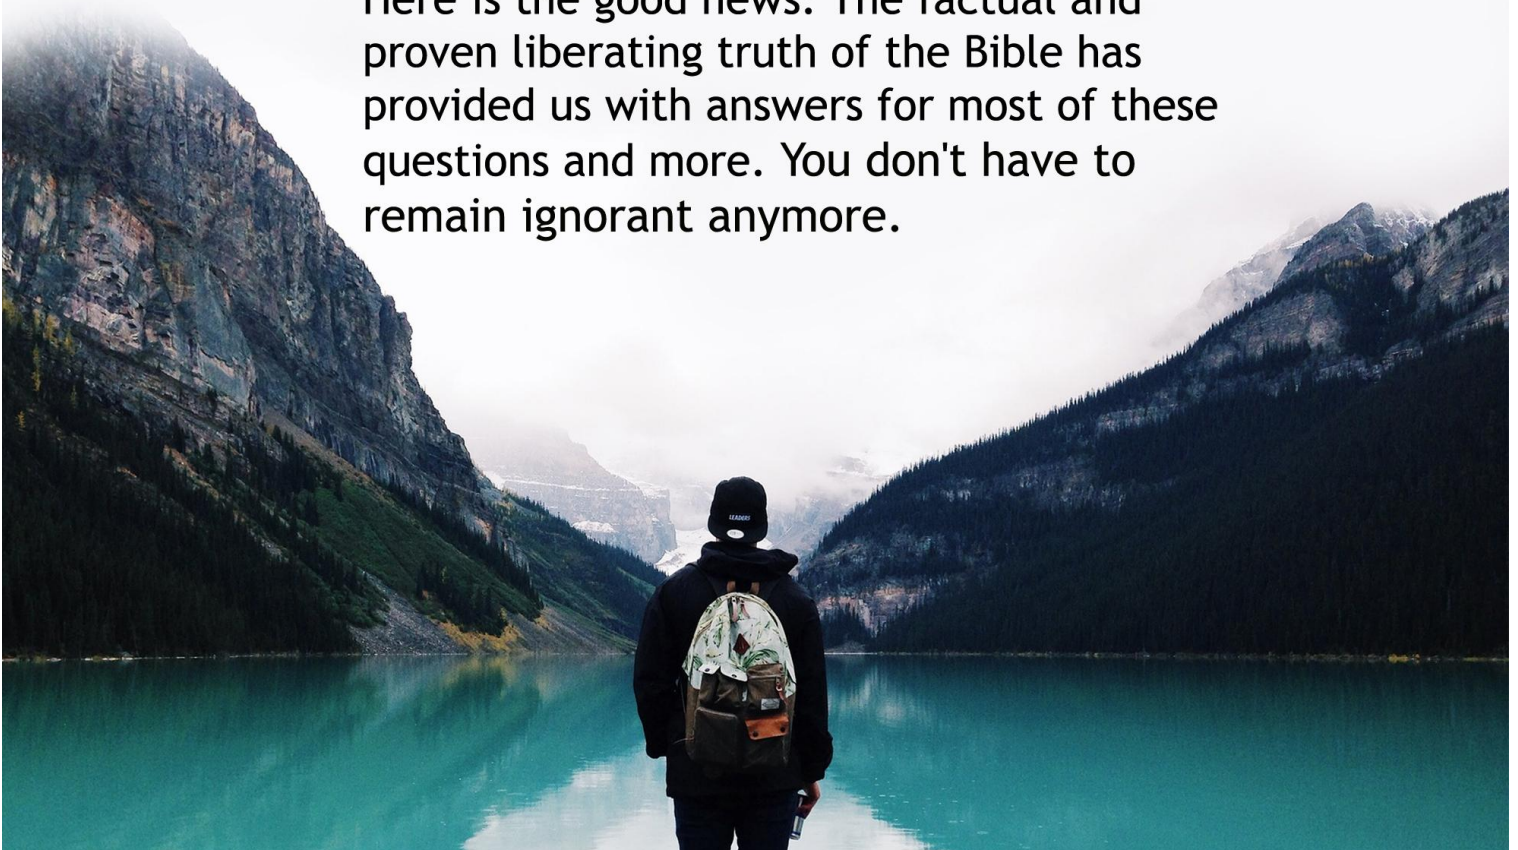

1. Who on earth am I? or
2. What is my worth in life? or
3. Why am I here? or
4. What will happen to me when I die?

Have you answered yes to one or more of these questions?

Don't worry! You're not alone in these thoughts. Thousands of other people around the world are all asking similar questions everyday.

The truth is, for many of us, until we truly get the concept of who we really are, we may continue to struggle to succeed in life.

Here is the good news: The factual and proven liberating truth of the Bible has provided us with answers for most of these questions and more. You don't have to remain ignorant anymore.

Have you ever thought..?

Why on earth am I here?

Who on earth am I?

The book of beginning, Genesis, describes humanity at its humble start.

The Bible says;

God created people in His own image; God patterned them after Himself, male and female He created them' [See Genesis 1: 27]
God then 'breathed the breath of life' into each of us! [Genesis 2:7]

What this means, is that man's identity, male and female, old and young, can only be found in God, who created man.

Why God Created Man?

The Bible tells us that God creates because He loves; He creates people to love them! God cares for sinful people because he loves them in spite of their sin! God wants you to rediscover who you really are and not remain ignorant.

Why not turn back to God today and receive His love?

[See 1 John 4:10]

Follow God's every guidance,
so as to understand where God
wants you to be, whether you
are moving or staying in one
place.

What is my life worth?

The Bible also tells us that God looked over all He had made, and He saw that it was excellent in every way.

[See Genesis 1:31]

What this means to you and I, is that we are all part of God's creation and He is pleased with how well He made you! And so, if at times you feel worthless or of little value, remember that God made you for a good reason.

You are valuable and precious to Him! [See Isaiah 43:4]

Why am I here & What is my purpose?

And in case you are still wondering and asking what, am I doing here then? Why am I not in heaven with God? The Bible says, after creating people, 'God placed the man in the Garden of Eden to tend and care for it. [See Genesis 2:15]

This was man's first assignment, his first job on earth! Everything was working according to what God intended. Later the descendants of man and woman, called Adam and Eve, grew to become the children of God. We are to follow the example of the Israelites, the chosen people of God.

They camped or travelled at the Lord's command and they did whatever the Lord told them to do through Moses.

[See Numbers 9:23]

What this means for you?

Perhaps you are wondering what this mean for you? The Bible says that this means man is expected to follow God's every guidance, so as to understand where God wants you to be whether you are moving or staying in one place! This means that wherever you are right now, whatever you are going through, whatever you're planning to do, you ought to ask God saying; 'What do you want me to do, to help my situation whilst I'm right here?' God has a purpose for placing you where you are right now! You can begin to understand God's purpose for your life by discovering what He wants you to do.

What will happen to me when I die?

You don't have to wait until you die before discovering what will happen to you! Truth is, the cumulative effect of all our sinful choices has begun to break down our Planet. Neither our bodies or our minds work the way God intended. The results are there are no longer perfect marriages or even friendships left. The weather, the economy and world governments are all breaking down!

Everything God created in perfection, now needs recovery! So God sent His only Son Jesus, to die for people because of love. His love for us caused Him to offer a solution to the problem of sin in the world! If you accept God's love and you die tomorrow, you will retuen to live with God in Heaven for eternity.

Would you like to know how to accept God's love today?

It is as simple as saying a heartfelt prayer.

Simply repeat these words;

Lord Jesus, forgive me for all my sins.

I believe that you died for my sins on the cross!

I ask you to come right now into my heart,

And make a change in me right now!

I accept you as my Lord and Saviour!

Come into my life and cleanse me from my sins,

Receive me now into the family of God!

I declare that I am saved;

I am born-again!

I am now released into my true identity in Christ!

I am a child of God.

I am PRECIOUS in His sight.

[Isaiah 43v4]
